Pappa Roti

The Brand

The delicious PappaRoti Bun was introduced as a snack concept for the first time in 2003 in Malaysia.

In 2009, the PappaRoti Café brand was brought to life as the brainchild of Ms. Rasha Aldanhani in UAE. The brand specializes in a unique mouth watering coffee-caramel coated butter bun served alongside a variety of signature drinks and an appetizing food menu.

The aroma, freshness and textures have captivated faithful fans who quickly become regular customers.
